

UNION JURISDICTION RULES

Since Work Rules and Union Jurisdictions vary from city to city, we apprise you of the following statements to help you in understanding the Union Requirements.

Decorator & Carpenter Jurisdiction

It is necessary for all exhibitors to use qualified union personnel for the installation and dismantling of prefabricated exhibits and displays and to install and remove draperies and floor covering. The handling, placing or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of an exhibit which does not require the use of hand tools, or more than one person, and can be accomplished within thirty minutes, may be performed by the owner or company representative for booths up to 10' X 30' in area. Your labor requirements can be ordered on the enclosed Exhibit Labor Order Form.

Teamster Jurisdiction

Our Material Handling Department is responsible for maintaining in and out traffic schedules at the Show site. Even local exhibitors should clear all movements of exhibit materials through this department as we will have priority at the unloading area at all times. For safety reasons, individually hand carried items or vehicles are not allowed through the dock. Material Handling Services may be ordered in advance by completing and returning the enclosed Shipping Information and Service Order Form. Paramount Convention Services will handle **all** incoming show freight regardless of the material handling form being submitted, advance or show site delivery and regardless of if freight is designated as in care of Paramount or not; and the exhibitor will be liable for all appropriate charges as described on the material handling form, as well as all storage fees, if any charged by the facility for items delivered and accepted prior to scheduled move in date

Thank you!
